

THE HERB SOCIETY OF AMERICA 2009 SEED EXCHANGE LIST

Please note the following abbreviations: **TYPE** – Annual (A), Biennial (B), Perennial (P), Tender Perennial (TP)
TRADITIONAL HERB USE – Culinary (C), Medicinal (M), Ornamental (O), Fragrance (F), Economic (E),
 Everlasting (L), Dye Plant (D), Butterfly, bird, bee plant (B), Native (N) **LIGHT** – Sun (S), Part Shade (PS), Shade
 (Sh)

There is no limit on how many varieties one can order; however, some are in extremely limited supply. The HSA Seed Exchange opens to members January 2009 and to non-members March 1, 2009. No orders are accepted after November 1, 2009.

Seeds are collected and cleaned by dozens of our members. We try to verify names, but we cannot ensure 100 percent germination or colors as stated. *If we have sold out seed packaged for 2009, we will send seed packaged for 2008 if available.* We do not knowingly ship seeds considered to be noxious weeds.
