

# Herbal Pathways

Imagine honoring a special person or celebrating a special event with a personalized brick. The brick will be added to the HSA Headquarters herb garden pathway and become a lasting tribute. Each 4" x 8" brick can be engraved with 3 lines of text with 20 characters per line (spaces and punctuation included). Each 8" x 8" clay brick can be engraved with 6 lines of text with 20 characters per line (spaces and punctuation included). A limited amount of artwork is available with additional charges for each. See the order form or the HSA Web site for a complete price list.

The laser engraving on each brick is precise and highly detailed. The intense heat of the laser beam actually melts the clay; the result is black glass lettering with exceptional durability. The text is level with the surface of the bricks, eliminating an area for dirt, water or ice to accumulate on the bricks. Each brick includes a lifetime warranty.

All gift purchases will be acknowledged with a card to the recipient and include the name of the purchaser. All memorial bricks will be acknowledged with a donation letter. Please complete a separate form for each brick purchased. For additional information and order forms, please visit the HSA Web site ([www.herbsociety.org](http://www.herbsociety.org)).

Holiday shopping already completed? Remember, an engraved brick is a wonderful gift for birthdays, anniversaries, graduations, retirements and memorials.
