Herbal Questions??? We've Got the Answers

Herbal specialists will be available to answer your questions about growing and using herbs in your garden and home.

Tussie Mussies - We will have our member compiled booklet for sale explaining the language of flowers and how to make your own Tussie-mussie.

Potomac Unit Membership - We will have brochures and upcoming event information available if you would like to learn about becoming a member and the activities we do.

Herbal Crafts - A selection of member made soaps and sachets will be available for sale.

Herbal Beads - We will have a selection of member made rosebead earrings and necklaces for sale.

The 2025 Herb of the Year is Chamomile
Matricaria chamomilla & Chaemelum nobile

**Profits from the plant sale contribute toward funding
the National Herb Garden internship.**
